- 6:55-7:05 Sheila and Carrie Presentation
  - Dina Bleecker – research project funded by Mayor’s Office
    - Neighborhood safety + RNO, community engagement, constituent services (311, Pocketgov)
    - Will be a survey regarding these topics
    - Requesting that we get that filled out – any Denver resident can fill them out
    - Purpose of the study: to make recommendations to Mayor’s Office on functionality of 311, Pocketgov, recommendations for successful community engagement, looking at ordinance around RNOs – need to be changed? Best practices, etc.

- Thad concerned about report being biased and what the Mayor's Office will do with the results of the study
- Board requested follow up when study is published
